45. URBAN PLANNING

- 45.1 Request for minor exemptions for the property located at 2 Lakeshore
- 

CONSIDERING THAT a request for minor exemptions was presented to the Planning Advisory Committee meeting held on March 3, 2026, for the property located at 2 Lakeshore;

CONSIDERING THAT the request for minor exemptions is:

- to authorize the main building to be located at 5.95 metres from the front landsite line, while the zoning by-law requires a front setback of a minimum of 6 metres, resulting in an encroachment of 0.05 metres in the front setback;
- to authorize that the total of side setbacks of the main building be of 6.87 metres, while the zoning by-law requires that the total combined side setbacks of the main building be of at least 9.65 metres;

CONSIDERING THAT a minor exemption application must respect the conditions enumerated in section 2.9 in By-law BEAC-044 concerning minor exemptions;

CONSIDERING THAT the Planning Advisory Committee considers that the conditions listed in By-law BEAC-044 are fulfilled;

CONSIDERING the Planning Advisory Committee's recommendation to APPROVE the minor exemptions request:

- to authorize the main building to be located at 5.95 metres from the front landsite line, while the zoning by-law requires a front setback of a minimum of 6 metres, resulting in an encroachment of 0.05 metres in the front setback;
- to authorize that the total of side setbacks of the main building be of 6.87 metres, while the zoning by-law requires that the total combined side setbacks of the main building be of at least 9.65 metres for the property located at 2 Lakeshore;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to APPROVE the request for minor exemptions:

- to authorize the main building to be located at 5.95 metres from the front landsite line, while the zoning by-law requires a front setback of a minimum of 6 metres, resulting in an encroachment of 0.05 metres in the front setback;

- 45.2 Request for minor exemptions for the property located at 228 Allancroft
-

**Draft resolutions**

2026-03-19

CONSIDERING THAT a request for minor exemptions was presented to the Planning Advisory Committee meeting held on March 3, 2026, for the property located at 228 Allancroft;

CONSIDERING THAT the request for minor exemptions is:

- to authorize a projected balcony to be located at 3.08 metres from the left lateral landsite line, whereas the zoning by-law requires a lateral setback of a minimum of 3.3 metres, resulting in an encroachment of 0.22 metres;
- to authorize the construction of a projected ancillary structure to be at a distance of 0 metres, whereas the zoning by-law prescribes a distance between two ancillary structures to be 2 metres minimum;
- to authorize the installation of a projected fence to be erected in the front yard for a landsite that is less than 100 meters in depth, whereas the zoning bylaw stipulates that a fence may be erected in the front yard for a landsite of a minimum depth of 100 metres;

CONSIDERING THAT a minor exemption application must respect the conditions enumerated in section 2.9 of By-law BEAC-044 concerning minor exemptions;

CONSIDERING THAT the Planning Advisory Committee considers that the conditions listed in By-law BEAC-044 are fulfilled for authorizing the installation of a projected fence to be erected in the front yard for a landsite that is less than 100 meters in depth, whereas the zoning bylaw stipulates that a fence may be erected in the front yard for a landsite of a minimum depth of 100 metres;

CONSIDERING the Planning Advisory Committee considers that the conditions listed in By-law BEAC-044 are not fulfilled for:

- authorizing a projected balcony to be located at 3.08 metres from the left lateral landsite line, whereas the zoning by-law requires a lateral setback of a minimum of 3.3 metres, resulting in an encroachment of 0.22 metres, because the requested minor exemption does hinder the owners of the neighbouring immovables in the enjoyment of their right of ownership
- authorizing the construction of a projected ancillary structure to be at a distance of 0 metres, whereas the zoning by-law prescribes a distance between two ancillary structures to be 2 metres minimum, because the strict compliance with the provisions of these by-laws is possible;

CONSIDERING the recommendation of the Planning Advisory Committee to APPROVE the request for minor exemption: to authorize the installation of a projected fence to be erected in the front yard for a landsite that is less than 100 meters in depth, whereas the zoning bylaw stipulates that a fence may be erected in the front yard for a landsite of a minimum depth of 100 metres and to REFUSE the minor exemptions request: to authorize a projected balcony to be located at 3.08 metres from the left lateral landsite line, whereas the zoning by-law requires a lateral setback of a minimum of 3.3 metres, resulting in an encroachment of 0.22 metres and to authorize the construction of a projected ancillary structure to be at a distance of 0 metres, whereas the zoning by-law prescribes a distance between two ancillary structures to be 2 metres minimum;;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to APPROVE the request for minor exemption: to authorize the installation of a projected fence to be erected in the front yard for a landsite that is less than 100 meters in depth, whereas the zoning bylaw stipulates that a fence may be erected in the front yard for a landsite of a minimum depth of 100 metres and to REFUSE the minor exemptions request: to authorize a projected balcony to be located at 3.08 metres from the left lateral landsite line, whereas the zoning by-law requires a lateral setback of a minimum of 3.3 metres, resulting in an encroachment of 0.22 metres and to authorize the construction of a projected ancillary structure to be at a distance of 0 metres, whereas the zoning by-law prescribes a distance between two ancillary structures to be 2 metres minimum; for the property located at 228 Allancroft.

Programme (SPAIP) relating to a building permit application for the extension of the main building located at 212 Gables Court

---

CONSIDERING THAT a building permit application was filed for the extension of a main building located at 212 Gables Court;

CONSIDERING THAT By-law BEAC-098 regarding Site Planning and Architectural Integration Programmes (SPAIP) indicates objectives and criteria to fulfill for this type of permit application;

CONSIDERING THAT the Planning Advisory Committee has considered the plans and documents accompanying the building permit application at the March 3, 2026, meeting and is of the opinion that  
- the objective to propose sustainable, quality architecture is not respected, because the criterion on apparent blank walls which can be viewed from the street are to be avoided.;

WHEREAS to comply with these objectives and criteria, the applicant should add a window to the front wall of the extension, similar in style to those already present on the building;

WHEREAS new plans were submitted on the March 6, 2026 which, according to the Planning Advisory Committee, meet the objectives and criteria to be respected;

CONSIDERING the Planning Advisory Committee's recommendation to APPROVE the SPAIP relating to a building permit application for the extension of the main building located at 212 Gables Court;

WHEREAS Council has taken note of the recommendation of the Planning Advisory Committee;

WHEREAS the preamble is an integral part of this resolution;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to APPROVE the SPAIP relating to a building permit application for the extension of the main building located at 212 Gables Court, according to the plans filed on March 6, 2026.

- 45.4 Request for the approval of the Site Planning and Architectural Integration Programme (SPAIP) relating to a building permit application for the modification of the facade of a main building located at 74 Brunswick
- 

CONSIDERING THAT a building permit application was filed for the modification of the facade of a main building located at 74 Brunswick;

CONSIDERING THAT By-law BEAC-098 regarding Site Planning and Architectural Integration Programmes (SPAIP) indicates objectives and criteria to fulfill for this type of permit application;

CONSIDERING THAT the Planning Advisory Committee has considered the plans and documents accompanying the building permit application at the March 3, 2026, meeting and is of the opinion that the applicable objectives and criteria are respected;

CONSIDERING the Planning Advisory Committee's recommendation to APPROVE the SPAIP relating to the building permit application for the modification of the facade of a main building located at 74 Brunswick, according to option A – Pruche vieillie;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to APPROVE the SPAIP relating to the building permit application for the modification of the facade of a main building located at 74 Brunswick, according to option A – Pruche vieillie.

- 45.5 Request for the approval of the Site Planning and Architectural Integration Programme (SPAIP) relating to a building permit application to modify the already approved plan at 7 Kirkwood

---

CONSIDERING THAT on October 1, 2025, Council adopted resolution 2025-10-450 approving the site planning and architectural integration programme for a building permit application at 7 Kirkwood;

CONSIDERING THAT after the resolution was adopted, an application to modify the approved plan was filed;

CONSIDERING THAT this modification application must respect the applicable objectives and criteria included in By-law BEAC-098 on Site Planning and Architectural Integration Programmes (SPAIP);

CONSIDERING THAT the Planning Advisory Committee has considered the plans and documents accompanying the permit application at the March 3, 2026, meeting and is of the opinion that the objective to propose sustainable, quality architecture is not respected, because the criteria on the exterior cladding materials and architectural components match together, in form, texture and colour is not fulfilled;

WHEREAS to comply with these objectives and criteria, the applicant should modify the windows on the main floor on the left side of the rear facade in order to harmonize the window style with that on the right side of the rear facade of the main building;

WHEREAS new plans were submitted on the March 10, 2026 which, according to the Planning Advisory Committee, meet the objectives and criteria to be respected;

CONSIDERING the Planning Advisory Committee's recommendation to APPROVE the SPAIP relating to a building permit application to modify the already approved plan at 7 Kirkwood;

WHEREAS Council has taken note of the recommendation of the Planning Advisory Committee;

- 45.10 Request for a minor exemption for the property located at 13 Lakeshore

---

CONSIDERING THAT a request for minor exemption was presented to the Planning Advisory Committee meeting held on March 3, 2026, for the property located at 13 Lakeshore;

CONSIDERING THAT the request for a minor exemption is:  
 - to authorize the main building to be located at 2.43 metres from the left lateral landsite line, while the zoning by-law requires a lateral setback of a minimum of 4.5 metres, resulting in an encroachment of 2.07 metres in the left lateral setback;

CONSIDERING THAT a minor exemption application must respect the conditions enumerated in section 2.9 in By-law BEAC-044 concerning minor exemptions;

CONSIDERING THAT the Planning Advisory Committee considers that the conditions listed in By-law BEAC-044 are not respected, and this because the application of the provision of the zoning by-law in cause does not create a serious prejudice to the applicant;

CONSIDERING the Planning Advisory Committee's recommendation to REFUSE the minor exemption request:  
 - to authorize the main building to be located at 2.43 metres from the left lateral landsite line, while the zoning by-law requires a lateral setback of a minimum of 4.5 metres, resulting in an encroachment of 2.07 metres in the left lateral setback for the property located at 13 Lakeshore;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to REFUSE the request for a minor exemption:  
 - to authorize the main building to be located at 2.43 metres from the left lateral landsite line, while the zoning by-law requires a lateral setback of a minimum of 4.5 metres, resulting in an encroachment of 2.07 metres in the left lateral setback and this for the property located at 13 Lakeshore.

- 45.11 Request for the approval of the Site Planning and Architectural Integration Programme (SPAIP) relating to a building permit application for the modification of the facade of the main building located at 486 Lakeshore
- 

CONSIDERING THAT a building permit application was filed for the modification of the facade of the main building located at 486 Lakeshore;

CONSIDERING THAT By-law BEAC-098 regarding Site Planning and Architectural Integration Programmes (SPAIP) indicates objectives and criteria to fulfill for this type of permit application;

CONSIDERING THAT the Planning Advisory Committee has considered the plans and documents submitted with the building permit application at the March 3, 2026, meeting and is of the opinion that  
 - the objective to propose sustainable, quality architecture is not respected, because the criterion on the exterior cladding materials and architectural components match together, in form, texture and colour is not fulfilled;

CONSIDERING the Planning Advisory Committee's recommendation to REFUSE the SPAIP relating to the building permit application for the modification of the facade of the main building located at 486 Lakeshore;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to REFUSE the SPAIP relating to the building permit application for the modification of the facade of the main building located at 486 Lakeshore.

- 45.12 Request for a minor exemptions for the property located at 36 Gables Court
- 

CONSIDERING THAT a request for minor exemptions was presented to the Planning Advisory Committee meeting held on March 3, 2026, for the property located at 36 Gables Court;

CONSIDERING THAT the request for minor exemptions is:

- to authorize the projected garage attached to the main building to be located at 2 metres from the left lateral landsite line, whereas the zoning by-law requires a lateral setback of a minimum of 3 metres for a garage attached to the main building, resulting in an encroachment of 1 metre in the left lateral setback;
- to authorize the projected extension of the main building to be located at 9.86 metres from the rear landsite line, whereas the zoning by-law requires a rear setback of a minimum of 10 metres, resulting in an encroachment of 0.14 metres in the rear setback;

CONSIDERING THAT a minor exemption application must respect the conditions enumerated in section 2.9 in By-law BEAC-044 concerning minor exemptions;

CONSIDERING THAT the Planning Advisory Committee considers that the conditions listed in By-law BEAC-044 are not respected, and this because the strict compliance with the provisions of the zoning by-law is possible and the application of the provision of the zoning by-law in cause does not create a serious prejudice to the applicant;

CONSIDERING the Planning Advisory Committee's recommendation to REFUSE the minor exemptions request:

- to authorize the projected garage attached to the main building to be located at 2 metres from the left lateral landsite line, whereas the zoning by-law requires a lateral setback of a minimum of 3 metres for a garage attached to the main building, resulting in an encroachment of 1 metre in the left lateral setback;

- 45.13 Request the approval of the Site Planning and Architectural Integration Programme (SPAIP) to carry out backfilling work on the property located at 135 Evergreen
- 

CONSIDERING THAT a request was filed to carry out backfilling work for the property located at 135 Evergreen;

CONSIDERING THAT By-law BEAC-098 regarding Site Planning and Architectural Integration Programmes (SPAIP) indicates objectives and criteria to fulfill for this type of request;

CONSIDERING THAT the Planning Advisory Committee has considered the plans and documents accompanying the request to carry out backfilling work at the March 3, 2026, meeting and is of the opinion that

- the objective to enhance the natural topography of the land covered by the operations of backfilling or excavation is not respected, because the criteria on (1) the proposed finished grade renews as much as possible existing soil levels prior to the project and (2) where the proposed grades have significant differences with existing grades, these differences must be justified by the constraints of the drainage of the land or adjacent site that preclude the full compliance with the current topography are not fulfilled;

- the objective to minimize impacts on neighbouring properties is not respected, because the criterion on the proposed finished grades avoid construction of retaining walls is not fulfilled;

CONSIDERING the Planning Advisory Committee's recommendation to REFUSE the SPAIP relating to the permit application to carry out backfilling work on the property located at 135 Evergreen;

It is moved by \_\_\_\_\_, seconded by \_\_\_\_\_ and \_\_\_\_\_ to REFUSE the SPAIP relating to the permit application to carry out backfilling work on the property located at 135 Evergreen.
